

Training cum demonstration proposal under TSP -2025-26

Request for approval and sanction of Rs. 2,32,400/- (Two lakh thirty-two thousand four hundred only) to conduct a training cum demonstration programme on "Modern methods of freshwater aquaculture" for the fish farmers of **Khatra, Bankura, West Bengal during 2025-26 under TSP.**

Background information:

Due to lack of technical knowledge of aquaculture farmers in Bankura district are not practicing scientific methods of fish farming. But it has a great potential for fishery and aquaculture due to plenty availability of freshwater resources. Therefore, it is proposed to conduct a three days training cum demonstration programme on "Modern methods of freshwater aquaculture" for 20 rural farmers of Bankura, West Bengal during September, 2025.

Objectives of the proposed activities:

- Capacity building of fish farmers on scientific fish farming and culture techniques in integration with other enterprises and to facilitate the farmers for undertaking fish culture by distributing critical inputs.

Output/outcome of proposed activities:

- Empowerment of rural folk to undertake scientific fish culture in integration with other enterprise
- Improvement of income as well as livelihood
