Sub: Proposal for **Awareness cum training** on “**Genetic Management of Hatchery Stocks for Sustainable Aquaculture Production**” for Fisheries Official of Odisha Government.

Dear Sir,

Proposal for organizing Awareness cum training program on “**Genetic Management of Hatchery Stocks for Sustainable Aquaculture Production**” for a group of 25 Fisheries Officials of Odisha Fisheries Department. This training is planned to sensitize the fisheries officials for use of genetic aspects in breeding and management of broodstocks for quality seed production. To ensure quality of seed and sustainability in its production process, it is essential that the hatcheries use broodstock, breeding and husbandry practices as per scientific norms. Similarly, it needs to be ensured that the seed farms use spawn obtained from reliable hatcheries that follow the norms of quality and sustainability. This training will further help to impart knowledge about inbreeding and ways to avoid inbreeding for fish species. I am submitting herewith a proposal for the same, to be organized during 28 July-1 Aug 2025. In this connection, it is proposed to allow for organizing this training. The training program will be coordinated by

1. Dr. Sunil Kumar Nayak, Sr. Scientist, FGBD
2. Dr. Kiran Rasal, Sr. Scientist, FGBD
3. Dr. Lenin Singh, Scientist, FGBD

The budgetary details are as follows-

Head of Expenditure	Budget (Rs)	
Training fee Rs. 5000 + 18 % GST X 25	1,47,500/-	
Accommodation in the IGH 6 days @ Rs. 1000 X 13 nos X 6 Days	78,000/-	
TA/DA for the officers @ 6000/person	1,50,000/-	
Hall/venue arrangement: Decorations, Memento, etc.	10,000/-	Non GeM items
Breakfast, Lunch and Dinner Rs. 500 x 25 People x 5 days	62,500/-	
Training kit @ Rs. 1000x30	30,000/-	
Printing and photocopy of training materials (Printing of Booklet on Genetic Management of Fishes)	27,000/-	
Visit to Tamboli GIFT Hatchery, Patas, Pune by hiring bus	30,000/-	
Refreshment or Hi Tea during training program Rs. 2000/Day	10,000/-	
Miscellaneous (Banner, printing certificates, valedictory programme, etc.)	5,000/-	
Total	5,50,000/-	

Approved
