

ICAR-CIFE

ICAR-CIFE is a leading Fisheries University having a distinguished heritage and has nurtured many illustrious scholars and leaders over the years. In over 50 years of existence, CIFE has emerged as a centre of excellence for higher education in fisheries and allied disciplines.

It offers Masters and PhD programs in 11 specialised disciplines of fisheries. It also offers Entrepreneurship Development Programs, Certificate Courses and several short duration Skill Development Programs at Mumbai and its four Centres. CIFE has created an ecosystem of teaching and research excellence making it a preferred destination for both fishers / farmers.

### Application

Interested candidates are encouraged to contact the respective Scientist-In-Charge / Course Coordinators directly by email or phone during the office hours (10 am to 5 pm) on working days. Application can also be sent by post addressed to the respective Scientist-In-Charge or the Training Coordinator. The Application (sent by email or post) shall contain name of training program you plan to attend, your name, address, contact details (phone/mobile number or email), qualification and the reason for attending a particular program.

### Eligibility

No special qualification or prior knowledge is required to attend most of the program. Anyone who can read and write, and has an interest to learn is eligible to attend most of the training programs.

### Medium

The medium of instruction will be in English and Hindi in general. However, we customise the course delivery as per the background of the participants. For instance, Marathi, Bengali and Telugu will be used in Mumbai, Kolkata and Kakinada Centres respectively in addition to English and Hindi.

### Course Fees

Rs.500/person/program for programs that are less than 3 days in duration and Rs.1000/person for programs that are 4-10 days duration need to be paid. The payment can be made at the venue on the first day of the program either in cash or DD made in favour of ICAR Unit - CIFE.

### Other charges

Accommodation (for outstation candidates) and food charges will be extra and are to be borne by the participants as per the expenditure incurred. Dormitory accommodation would cost Rs.50-75/day while food charges would be about Rs.250-300/day.

### Customised Programs

In addition to listed programs, CIFE conducts customised and tailor-made programs for interested agencies / group of people in all areas of fisheries and aquaculture, as well as provides Technical Consultancy Services, undertakes contract research and Turn Key projects on mutually agreed terms and conditions. Interested agencies / candidates are advised to write to [director@cife.edu.in](mailto:director@cife.edu.in) with a copy to [ananthan@cife.edu.in](mailto:ananthan@cife.edu.in). Please visit ICAR-CIFE website [www.cife.edu.in](http://www.cife.edu.in) for updates about forthcoming training programs and related events. For all other queries related to training at CIFE, please contact the Training Coordinator.
