

Report on Interactive workshop on Academic and Scientific Manuscript Writing Skills

Division of Aquaculture, ICAR-CIFE has organised the Interactive workshop on “Academic and Scientific Manuscript Writing Skills” during 4-5 October 2023 under the guidance of Dr. C.N. Ravishankar, Director, ICAR-CIFE, Mumbai. A total of 40 Masters and PhD students attended the workshop. Dr. Amol K. Bhalerao, Scientist (Agricultural Extension), ICAR-IVRI, Pune was the resource person for conducting various sessions on academic writing who is the recipient of the prestigious Netaji-Subhash ICAR International Fellowship. The topics which were attended by the students were; effective use of words, words to sentences, sentence to paragraph, foundations for clarity and transitioning for logical writing, Punctuation, capitalization, structuring the manuscript, methodology results & discussion, Introduction structuring, conclusion & abstract writing, tables and figure writing. Students actively took part in writing the assignments and discussed their doubts in various sessions to improvise the writing skills. This workshop was convened by Dr. Debajit Sarma, HoD and coordinated by Dr. Madhuri Pathak, Scientist, Division of Aquaculture, ICAR-CIFE.
