

Bharat ki Azadi ka Amrut Mahotsav

Under the Bharat ki Azadi ka Amrut Mahotsav, a nation-wide campaign on 'Biofortification, Nutrient Groves and Crop Diversification' is being organised on 28th April 2022. As part of this, ICAR CIFE organised a talk on 'Aquaponics systems for iron and potassium enriched fish and plants' by Dr. A. K. Verma, ICAR-CIFE. The talk was attended by 100 scientists. The technology will be promoted in the coming days among farmers and entrepreneurs.
