

Three days training program for the fish farmers of Chhattisgarh 29st to 31st January 2020, Raipur, Chhattisgarh

ICAR- Central Institute of Fisheries Education, organised a three days training programme on **Ornamental Fish Culture** at Awareness centre, Raipur, Chhattisgarh for the fish farmers of Chhattisgarh from 29th to 31st January 2020. A group of 38 fish farmers from different districts i.e. Dantewada, Charma, Dhamtari and Raipur participated in the programme. Five departmental officials also attended the training programme. The programme was inaugurated by Shri. N. S. Nag, Joint Director in presence of Shri. D. K. Singh, Deputy Director and other officials. The topics cover included present status of ornamental fishes farming, fabrication and maintenance of aquarium, accessories, feed and disease management of ornamental fishes. A guest lecture was given by Dr. Atul Kumar Jain. A field visit was organised to show ornamental fishes and facilities near Raipur, Chhattisgarh. During valedictory function Dr. V. K. Shukla, Director Fisheries, Chhattisgarh congratulated and addressed the farmers and thanked CIFE for their proactive role in organising the program.
