

Report on the National Campaign on Fish Health Management in Aquaculture  
(Azadi ka Amrut Mahotsav)  
29<sup>th</sup> July 2022

Under the Bharat ki Azadi ka Amrut Mahotsav, a nation-wide campaign on "Fish Health Management in AQC ' was organised on 29<sup>th</sup> July 2022. Dr. P. K. Sahoo, Principal Scientist, CIFA was invited as guest lecturer under this campaign. He delivered a lecture on **'The battle against freshwater fish ectoparasites: Lessons learnt so far'**. The lecture was held in hybrid mode and the lecture was attended by around 250 participants. Dr. K.V. Rajendran, Head, AEHM Division, introduced the speaker and gave a brief overview of the various threats to fish health. Dr. Ravishankar, Director, CIFE spoke about the importance of the National Campaign on 'Fish Health Management in Aquaculture' as a part of celebrating 75 years of India's independence.
