

Report on Awareness cum Skill Development Training program on
“Freshwater Prawn Breeding and Seed Production”
Under Tribal Sub Plan (TSP)

ICAR-Central Institute of Fisheries Education, Aquaculture Division, Mumbai organised an awareness and skill development program on “Freshwater Prawn Breeding and Seed Production” during 15-19 March, 2023. The training program was attended by 12 participants (8 Male and 4 female) from Amboli, Andheri Suburb Mumbai, Maharashtra. The training programme aims to impart knowledge about the fresh water prawn breeding and seed production for the tribal farmers in different hamlets around Mumbai, Maharashtra. The programme began was inaugurated by Director, Dr. C. N, Ravishankar Joint Director, Dr. N.P. Sahu and Head of Division Dr. Sukham Munilkumar. Director and Joint Director welcomed the participants and encouraged them to undergo this training and assured the complete support from ICAR-CIFE, Mumbai for their development in future. Participants were briefed with the details of the programme by course co-ordinator Dr. Madhuri Pathak and Dr. Kapil Sukhdhane.

Six theory and ten practical classes encompassing various aspects of Freshwater Prawn Breeding and Seed Production viz. Present status of fresh water prawn aquaculture, Fresh water prawn biology, Water and soil quality management in fresh water prawn culture, Fresh water prawn life cycle, Essentials of fresh water prawn hatchery, Maturation and breeding, Larval Rearing, Nursery management of larvae. Major emphasis was given for the hands on demonstration of Broodstock identification, Water quality management, feed management- egg custard preparation and feeding. Tribal participants expressed their views as how they were benefitted by this training programme. The training programme was covered in local Newspaper “Loksatta”.

आदिवासींना गोड्या पाण्यातील कोंळबी उत्पादनाचे प्रशिक्षण

लोकसत्ता प्रतिनिधी

पुणे : भारतीय कृषी अनुसंधान परिषदेच्या केंद्रीय मात्सिकी शिक्षा संस्था, मुंबईच्या जल कृषी विभागाच्या वतीने आदिवासी तरुण-तरुणींसाठी गोड्या पाण्यातील कोंळबी प्रजनन आणि बियाणे उत्पादनाचे प्रशिक्षण देण्यात आले.

आदिवासी उपयोजना (टीएसपी) अंतर्गत जागरूकता, कौशल्य विकास प्रशिक्षण कार्यक्रमांतर्गत १५ ते १९ मार्च दरम्यान हे प्रशिक्षण देण्यात आले. प्रशिक्षणासाठी महाराष्ट्रातून बारा जण सहभागी झाले होते. मुंबई,

महाराष्ट्राच्या आजूबाजूच्या विविध गावांमधील आदिवासी शेतकऱ्यांना गोड्या पाण्यातील कोंळबी पैदास आणि बीजोत्पादनाविषयी ज्ञान देणे आणि कोंळबी उत्पादनातून त्यांना आत्मनिर्भर बनविणे हा प्रशिक्षणाचा हेतू होता. कार्यक्रमाचे उद्घाटन निर्देशक डॉ. सी. एन. रविशंकर, उपनिर्देशक डॉ. एन. पी. साहू आणि विभाग प्रमुख डॉ. सुखम मुनीलकुमार यांनी केले.
