

Report on
Meeting with CEO, Agrinnovate India Ltd., New Delhi
on 9th May 2023

Objective: To encourage and aware faculty members and inventors towards technology commercialization and ICAR policies for commercialization.

On 9th May 2023, National Agricultural Innovation Fund (NAIF) – Institute Technology Management Unit (ITMU) organized a meeting with **Dr. Pravin Malik, CEO, Agrinnovate India Ltd., New Delhi** for faculty members and inventors on 9th May 2023. **Dr. A.K. Balange (Officer-in-charge, ITMU & PI – ABI)** & Pr. Scientist, FRHPHM welcomed all the guests and briefed about the program. The program was preceded by **Dr. N.P. Sahu (Joint Director, ICAR – CIFE)**, where he requested Dr. Pravin Malik, to clear all scientists doubts about technology commercialization. This was followed by a brief speech of Dr. Pravin Malik, CEO Agrinnovate India Ltd. Dr. Malik urge scientist to protect their innovations, inventions and technologies before commercialization and appeal to submit all the technologies to Agrinnovate to maintain uniformity of agreements; technology protection; to avoid competition among ICAR Institute and to avoid any discrepancies. Thereafter, technologies were discussed for commercialization and to fetch a good market Dr. Malik gave some suggestions.

After rigorous discussion on technologies Joint Director, ICAR-CIFE, thanked Dr. Malik for sharing valuable information with the scientist and plead scientists and inventors to work on commercial potentials of the technology along with the research and look for the possible buyers.
