

Report of the Interview Skills Workshop - Series 1

Organised by

**Personality Development and Career Counselling Unit (PDCCU),
Placement and Entrepreneurship Cell**

ICAR-CIFE, Mumbai

The Personality Development and Career Counselling Unit (PDCCU), Placement and Entrepreneurship Cell of ICAR-CIFE organized an impactful 'Interview Skills Workshop - Series 1' on 28/08/2023 for the students of CIFE. This was held under the esteemed guidance of Dr. C.N. Ravishankar, Director, ICAR-CIFE, Mumbai and Dr. N. P. Sahu, Joint Director, ICAR-CIFE, Mumbai.

The **Interview Skills Workshop** aimed to equip CIFE students with necessary skills and confidence to excel in a variety of interview scenarios.

Objectives of this Interview Skills Workshop were

- To provide students with practical interview techniques and strategies
- To enhance students' confidence to face interviews
- To provide customised guidance and feedback to each student

Workshop Content:

The workshop covered a wide range of interview skills and techniques, including:

- Tips on presenting oneself effectively during interviews
- Mock interview sessions to simulate real-world interview scenarios
- Tailored guidance by scientific experts

The experts of this workshop were the Heads of Divisions and Scientists Dr. Debajit Sarma, Dr. Kedar Nath Mohanta, Dr. Mukunda Goswami, Dr. Megha Bedekar, Dr. Naresh S. Nagpure and Dr. Kiran D. Rasal. Their collective insights provided students with valuable perspectives on achieving success in interviews.

The coordination of the workshop was carried out efficiently by the Personality Development and Career Counselling Unit Placement and Entrepreneurship Cell team Mr. Abuthagir Ibrahim, Dr. Deepitha R.P., Dr. Manish Jayant, Dr. Kapil Sukdhane, Dr. Sanath Kumar and Dr. Arpita Sharma who ensured the seamless execution of the event. Their dedication contributed to the overall success of the workshop.

The response from CIFE students was overwhelming, indicating a strong desire to enhance their interview skills. The interactive nature of the sessions and the personalized attention from the experts were particularly well-received. Feedback received from the participating students was positive. Students appreciated the practical advice, customized inputs and mock interview sessions.

Due to a very good response from students, series 2 of the Interview Skills Workshop will be organised, so that students gain a competitive edge in their professional pursuits.
