## Report on Brain storming session on syllabus of Aquatic Environment and Management 8<sup>th</sup> September, 2023

Brainstorming session on Syllabus review of Aquatic Environment Management - with an international perspective was conducted on 8th September, 2023 at ICAR-Central Institute of Fisheries Education, Mumbai. Fulbright Fellow, Prof. (Dr.) Arun K. Dhar, Director of Aquaculture Pathology Laboratory; University of Arizona, Tucson, USA was the external expert in this meeting along with faculty of AEM divisions. Following point were discussed in the meeting:

- Review of current syllabi
- Identification of areas for improvement
- Revision of course objectives and outcomes
- Integration of new content or technologies
- Discussion on assessment methods of faculties

Dr. A. K. Dhar, external expert opined that the course content of the syllabi is up-to-date whereas some modification is required in the objectives few course. He also stressed upon the inputs of the students in revision process. Overall the meeting was productive and collaborative, with a shared commitment to enhancing the quality of education. The revised syllabi through a collective exercise will educate and prepare the students for a brighter chance of success in their academic pursuits. The workshop was coordinated by Dr. S.P. Shukla, PS, AEHM.
