

Report of the
Swachhta Action of Bhoipura Fish Market, Nagpur
Interactive session with Fish Sellers Association, Nagpur
Training Programme for Stakeholders on
Preparation of Organic Manure (FishANUre)
and participation in
Khasdaar Audyoogik Mahotsav –
Vidarbha Mega Industrial Expo Business and Investment Conclave, Nagpur

Under the research project “Swachhta Action Plan (SAP) and Commercial Utilisation of Fish Waste”, “Swachhta Action of Bhoipura Fish Market, Nagpur” was undertaken by CIFE team on 28.1.24 under the guidance of Dr. Ravishankar C.N. Director, ICAR-CIFE, Mumbai and Dr. N.P. Sahu, Joint Director, ICAR-CIFE, Mumbai. Deep cleaning of the market was performed by cleaning marshalls, CIFE team and volunteers from MAFSU, Nagpur.

This was followed by conduct of “Interactive Session with Members of The Fresh Fish Dealers Association, Nagpur” to understand the dynamics of the fish market.

On 29.1.24 CIFE team participated in the “Khasdaar Audyoogik Mahotsav – Advantage Vidarbha Mega Industrial Expo Business and Investment Conclave” which was inaugurated by Hon’ble. Shri Nitin Gadkari, Union Minister of Road Transport and Highways, Govt, of India. The session on Industrial Fisheries was organized in this conclave was the first time and the Chief Guest Shri. Nitin Gadkari ji highlighted the growing importance of fisheries and aquaculture in this session. The video is available on you tube: https://www.youtube.com/live/bIN6FfkLGFQ?si=Vl64GfvBy_gzINBJ

In this session on Industrial Fisheries a training programme on “Preparation of Organic Manure (FishANUre) from Fish Waste” was organized for stakeholders by CIFE team under the research project Swachhta Action Plan (SAP) and Commercial Utilisation of Fish Waste.

Training included method and result demonstration of the CIFE’s Do It Yourself (DIY) Technology FishANURre: Preparation of Organic Manure From Fish Waste (Technology number 23F/PD/0102 by Anurag Singh, Arpita Sharma, Martin Xavier and Shubam Soni). Participants were provided practical training of preparation of organic manure from fish waste. This practical exposure enhanced their understanding of the process and provided them the confidence in their ability to apply the acquired knowledge and skills independently.

The training programme was coordinated by Dr. Arpita Sharma, HoD FEES Division/ Nodal Officer Research Project SAP and research scholars Shri Shubam Soni and Shri Vijendra Kumar.

After the training programme, CIFE team visited various stalls of Khasdaar Audyoogik Mahotsav-Advantage Vidarbha Mega Industrial Expo Business and Investment Conclave and interacted with industry persons.
