

Training Programme on Value added products from fish & shellfish

Venue : ICAR-CIFE, Mumbai

Date : 08th December, 2022

The training program on 'Value added products from fish & shellfish' was conducted at ICAR CIFE, Mumbai (Old Campus) on 8th November, 2022. Program was organized by **Agri Business Incubation (ABI) Center, ICAR-CIFE, Mumbai** for Mumbai University students. Eleven students participants attended the training program. Dr. A. K. Balange, Principal Scientist, Fisheries Resources Harvest and Post Harvest Management Division & Principal Investigator - Agri Business Incubation (ABI) center, ICAR-CIFE, Mumbai welcomed all the trainees and brief everyone about training & student incubation facility at ABI, ICAR-CIFE, Mumbai. Mr. A. Sable, Technical Officer, FRHPHM division provided hands on training for preparation of Fish outlet, Fish sev, Fish chakli, Acetes chatney and Prawn pickle. A vote of thanks was given by Mr. Avinash Sable, where he thanked Dr Ravishankar C. N., Director & Vice Chancellor, ICAR-CIFE & Agri Business Incubation center for providing support, guidance and all the facilities for conducting the programme.
