

## Capacity Building of Scheduled Caste Farmers of Indas, Bankura, West Bengal by ICAR-CIFE

20<sup>th</sup> September, Indas, Bankura

ICAR-Central Institute of Fisheries Education, Kolkata Centre conducted a skill development training programme on “Modern Methods of Freshwater Aquaculture” involving 20 farmers of Indas Block, Bankura, West Bengal during September 18-20, 2024 under the guidance of Dr. Ravishankar C.N., Director/Vice-Chancellor, ICAR-CIFE and supervision of Dr. T.K. Ghoshal, Head, ICAR-CIFE, Kolkata Centre. The programme was inaugurated by Mr. Chandan Rakshit, Sabhapati, Indas Panchayat Samity in presence of the Joint Block Development Officer, Indas Block. The trainees had hands-on experience on pond preparation, water quality management, feed preparation and exposure through a field visit to a well-established composite fish culture farm at Dighalgram, Bankura. The farmers were given CIFE developed water testing kits for use at their pond.
