To,

The Controller of Examination
ICAR-CIFE, Mumbai.

Sub: Submission of the Ph.D. thesis of Jasmin F, FRM PA2-06, FRM Division, 2012-2015 batch-reg.

Sir,

Kindly find enclosed three copies of the thesis entitled **“Fishery, distribution, biology and exploitation status of Sepia aculeata van Hasselt, 1835 off Andhra Coast”** by **Jasmin F** Regd. No. FRM PA2-06, Fisheries Resource Management (2012-2015) batch. As Chair of the student, I do hereby certify that she has completed all the requisite formalities for submission of Ph.D. thesis including Course work, Credit Seminars I & II and Pre-Thesis Seminar. She has also passed Comprehensive Examinations (both written and *viva voce*) and published one research paper and another one is communicated to a referred journal.

Therefore, I request you to kindly accept her thesis and forward the same to the examiners for the evaluation at an early date.

With Regards,

Yours Sincerely

(Latha Shenoy)

Chair

Encl:

FRHPHM- Division,
ICAR-CIFE, Mumbai.

CERTIFICATE

This is to certify that **Jasmin F**, Regn. No. **FRM PA2 06**, Division of Fisheries Resource Management (2012-2015 batch) has successfully completed all the related formalities required for her Ph.D on the topic entitled “Fishery, distribution, biology and exploitation status of *Sepia aculeata* van Hasselt, 1835 off Andhra Coast”. Details of the work/ formalities completed by her are as follow:

1. One year course work (First and Second semester) during 2012-2013.
2. Research work related to the above titled Ph.D topic as per the synopsis under my guidance
3. Pre-qualifying examination (written and viva voce)
4. Two credit seminars
5. One thesis seminar
6. One research paper published and one communicated (copies enclosed)

I therefore recommend that her thesis “Fishery, distribution, biology and exploitation status of *Sepia aculeata* van Hasselt, 1835 off Andhra Coast” may please be accepted for further necessary action.

Yours sincerely

(Latha Shenoy)
