Sr. Administrative Officer

The Indian Council of Agricultural Research (ICAR) is an Apex Organization at National level for public research in agriculture including livestock and fisheries. It is a central autonomous body under the Department of Agricultural Research and Education in the Ministry of Agriculture and Farmers' Welfare. It is fully funded by Government of India.

1. ICAR - Central Institute of Fisheries Education (CIFE), Mumbai was established in the year 1961 under the Ministry of Agriculture, Govt. of India with the assistance of FAO/UNDP. It came under the Administrative control of Indian Council of Agricultural Research (ICAR), New Delhi in 1979. The Institute was conferred the status of Deemed University in March 1989. The Institute has a mandate to conduct post-graduate (M. F. Sc.) and Doctoral courses (Ph.D.) in core and emerging disciplines of Fisheries Science. CIFE is also mandated to undertake basic and strategic research in frontier areas of fisheries, conduct demand-driven training programmes to various stake-holders, and to provide inputs for policy development. In over 50 years of its existence, CIFE has emerged as a center of excellence for higher education in fisheries and allied disciplines and has nurtured many illustrious scholars and leaders. Today CIFE takes pride in its elegant and expansive campus comprising of state of art laboratories, library, hostels, guest house and sports facility.

The Regional Research and Training Centre (RRTC) of ICAR-CIFE in the premises of Regional Centre of Indian Institute of Sugarcane Research (IISR), Motipur came into existence on 10.09.2018. The mandate of RRTC, Motipur is to impart education and training to fish farmers, entrepreneurs, and other stakeholders. Since it is a new center of ICAR-CIFE, basic infrastructural facilities are to be created for smooth functioning of the office and conducting educational programmes and hands on training for HRD in fisheries. In order to meet its mandate, the institute proposes to construct **“Office –cum- Training Hall and Fish Pond/Concrete Tanks”** at **Regional Research and Training Centre (RRTC) of ICAR-CIFE, Motipur, Bihar.**

2. The Director / Vice-Chancellor, ICAR - Central Institute of Fisheries Education (CIFE), Mumbai on behalf of Secretary, ICAR invites “Expression of Interest (E.O.I.) from Public Sector Undertakings set up by the Central or State Govt. to carry out civil or electrical works or any other Central or State Govt. organization / Public Sector Undertaking which may be notified by Ministry of Urban Development (MoUD) for planning, designing, and construction of **“Office-cum-Training Hall and Fish Pond/Concrete Tanks”** at **Regional Research and Training Centre (RRTC) of ICAR-CIFE, Motipur, Bihar** as per Rule 133 (3) of the GFR 2017. The estimated cost of the work is about Rs. 1 Crore.

3. Scope of work

3.1 Site survey, preparation of Design, Layout plan, Estimate, and Construction of **“Office – cum - Training Hall and Fish Pond/Concrete Tanks”** at **Regional Research and Training Centre (RRTC) of ICAR-CIFE, Motipur, Bihar.**

(1) Construction of Office building – cum – Training Hall: Estimated Cost - Rs. 50 .00 lakh

(2) Construction of Ponds / Concrete tanks: Estimated Cost - Rs. 50 .00 lakh

3.2 Development of Master Plan of the campus in consultation with Director, CIFE, Mumbai. Preparation of layout plan, complete design, estimation of cost, and construction of following structures / facilities within the sanctioned amount as per SFC allocation given below:

The office building-cum-Training Hall should be provided with all essential facilities like basic amenities, computer facilities, developmental works like water tanks - OH & Underground, leveling, sewer, filtered water supply, storm water drain, landscaping, street lighting, water-harvesting structures, sub-stations, fire- fighting arrangement, bore wells and parking. The constructions should confirm to green building concept/norms to achieve at least 80% rating. A tentative layout plan of office building/Training hall is enclosed for ready reference.

Farm facilities include **4 earthen Nursery ponds of Size: 50 x 20 meter each; and 4 earthen Grow-out ponds of Size: 100 x 40 meter each.** A copy of the proposed Master Plan of the campus is enclosed for ready reference

3.3 The selected PSU / organization will undertake to plan, design and execute the work in its totality including, general architecture, structural design of the building, electrical design, energy conservation architecture, air-conditioning — photo thermal cooling or based on renewable source of energy, quantity surveying — civil, electrical, air conditioning, interior architecture, water supply design, water harvesting design, acoustics design, waste water treatment design, lighting design, sound system design, firefighting system, horticultural/ landscaping features, liaison work for obtaining required regulatory statutory clearances and any other work which may crop up during the design. This is only illustrative and by no means an exhaustive list of the functions.

3.4 The selected organization will undertake all operation and maintenance functions (Civil, Electrical, Refrigeration and other related aspects) in the Institute for a period of 3 years including the defect liability period of one year. The fund for operation and maintenance work are not the part of the estimated cost of rs. 1.0 crore; however, a separate proposal for the same has to be got approved by the PMC agency from the institute.

4. Who can apply?

To be eligible for consideration for award of the work, an organization should have:

- 4.1 Planned and executed the similar type of works of **at least one work of Rs. 80 lakhs or two works each of Rs. 60 lakhs or three works each of Rs. 40 lakhs** for a Government organization in the last five years.
- 4.2 Average annual financial turnover from Consultancy Works of not less than **Rs. 1 crore per annum** ending 31st March of the previous financial year.
- 4.3 Average annual financial turnover from the Contract Value of not less than **Rs. 1 crore per annum** during the last 3 years ending 31st March of the previous financial year.
- 4.4 On its rolls on full time basis there should be adequate number of competent civil, structural, electrical, air conditioning engineers/ architects to plan/design/execute the work. Applicants who do not have such staff on its rolls and plan to hire for this purpose may clearly so state (Minimum 50 strength).
- 4.5 The prospective bidder should be an **ISO-9001-2000** accredited company.
- 4.6 A minimum of ten years of experience in rendering PMC service for works.

5. How to apply:

The agencies will have to submit EoI in the prescribed format along with supportive documents in a two-bid systems and upload on **www.eprocure.gov.in**:

- (i) Technical Bid
- (ii) Financial Bid

Each of these Bids is to be put in separate sealed envelope, clearly subscribed **“Technical Bid”** and **“Financial Bid,”** respectively.

Both these sealed envelopes shall be put in one sealed envelope (Containing Address, Name and Contact No.) subscribed **“EoI for Project Management Consultancy Services** for construction of **“Office-cum-Training Hall and Fish Pond/Concrete Tanks”** at **Regional Research and Training Centre (RRTC) of ICAR-CIFE, Motipur, Bihar.**

5.1. Technical Bids: The details to be furnished in technical bids are:

5.1.1 Annexure-I

The basic information / profile of the PSU / organization along with the organizational chart / organogram of the organization. The details of Registration / accreditation of the PSU / organization. Years of experience as PMC agency.

5.1.2 Annexure-II

Financial status, turnover during the preceding 3 years. Company's audited balance sheet of the preceding 3 years.

5.1.3 Annexure-III

Details of technical manpower, total strength of the organization giving break-up of specialists i.e. engineers, quality surveyors, etc. with their qualification & experience

5.1.4 Annexure-IV

List of similar works costing **more than 1 crore** executed during the last ten years.

5.1.5 Annexure-V

Details of works executed costing **more than 1.0 crore** or more confirming to GRIHA-III or equivalent to LEED Rating.

5.2 Financial Bid:

The financial bid for the above scope of work shall be submitted in prescribed format at Annexure-VI (as uploaded on www.eprocure.gov.in), and should be signed by the authorized signatory of the agency. The financial bids must indicate **Lumpsum service charges for execution of work including all prevailing taxes as per the Rule 133 (3) of GFR 2017. The quoted lumpsum service charges shall be inclusive of all Government taxes / service charges etc. No extra payment on this account will be paid by the Institute.**

6.0 Evaluation Method of Shortlisting the PMC Agencies

The employer will evaluate the technical bids and presentation of shortlisting the agencies. The evaluation for the technical bid and presentation will be based on the following criteria:

6.1. Proposed Factors to be considered for Technical Bid:

S.No	Parameters	Description of Parameter	Marks	Evaluation Methodology
1	Past experience	Experience of bidder as Project Management Consultants handling clients' projects.	15	The bidder having experience of 15 years or more as PMC will be awarded full marks and others will be assigned marks proportionately.
2	Turnover from PMC services	Financial credential in terms of turnover from PMC services	15	The bidders having turnover of Rs. 1 crore or more will be assigned full marks, others will be assigned proportionate marks.
3	Turnover from Contract Value	Financial credential in terms of turnover from contract value	10	The bidders having turnover of Rs. 1 crores or more will be assigned full marks, others will be assigned proportionate marks.
4	Personnel strength	Strength of Qualified Graduate Engineers, Architects, Quality Surveyors	10	The bidders having combined personnel strength of 100 or more Engineers, Architects, Quality Surveyors will be awarded full marks; others will be assigned proportionate marks.
5	Track record	Experience of having successfully executed projects/works within time schedule and cost estimates	20	The bidders who have successfully executed 10 or more such projects / works each of Rs. 1 crore or more during the last 10 consecutive years will be assigned full marks and others will be assigned marks proportionately.

6	Experience in construction of Green Building	Experience in construction of Green Building confirming to GRIHA-III or equivalent to LEED	10	Bidders having executed 4 projects confirming to GRIHA-III or equivalent to LEED rating each of more than Rs. 1 crores or more during the last 5 years will be assigned full marks. Others will be assigned proportionate marks.
		Total Marks	80	

6.2. Proposed Factors to be considered during presentation:

Sno.	Parameters	Description of parameters	Marks	Evaluation Methodology
1	PMCs Internal process structure and MIS	The internal procedures, controls, and project management procedures followed by PMC	5	(i) The bidders will be required to demonstrate the efficiency of their organization's internal procedures in place for Project management and its flexibility to adapt to the clients requirements. (ii) The bidder will demonstrate the efficiency of their communication process with the clients and the contractors and the progress reporting system. The committee will assign marks out of five based on the demonstrated efficiency of the systems by the bidders.
2	Value Engineering	Areas of project management where value engineering techniques will be applied to optimize the quality and cost of the proposed work. The agency is required to make a brief presentation indicating the road map of the project.	10	The bidder will demonstrate its ability to innovate the application of Value Engineering technique in context with this project and its effect on optimizing the cost and quality and time schedule of the project

3	Contract Engineering	Techniques used for contract management with a view to claim avoidance and its management.	5	Sensitivity of contract management procedure of the bidders to claim avoidance and its management. The maximum points assigned will be five
		Total	20	

Total marks = marks of 6.1 + marks of 6.2 = 80 + 20 = 100

6.3. After evaluation of technical bid and presentation, the agencies scoring 75 marks and more than 75 marks will be qualified for opening of the financial bids.

7.0 Opening of the financial bid

The financial bid of qualified bidders as indicated in Para 6.3 will be opened by a committee in presence of authorized representatives of the qualified bidders. The agency quoting the lowest lumpsum fee will be recommended for award of the work. The decision of the Committee shall be final and binding.

8.0 Agreement:

The selected PMC has to execute an agreement for the execution of the work on a non-judicial stamp paper of the prescribed value.

9.0 Tender Validity:

The tender shall be valid for a **period of 180 days** from the due date for submission of tender

10.0 Completion of Project:

The project should be completed in 12 months from the date of award of work

11.0 General:

- (a) Parties desirous of visiting the site can do so between 10.00 a.m. to 5.00 p.m. on all working days
- (b) ICAR-CIFE reserves the right to accept / reject any or all tenders / offers without assigning any reason thereof.
- (c) In case the cost of project increase due to increase in the scope of the work or any other reasons, no extra PMC lumpsum service charges over and above the quoted PMC lumpsum service charges will be admissible.
- (d) If any dispute, decision of the Secretary, ICAR shall be final and binding to all parties.
